## Great Music Makes a Difference

Live music is back, and we need your help. Our mission is to create vibrant, engaging and meaningful performances that bring to life the incredible legacy of big band and jazz music. Through a variety of public and private partnerships, we aim to support the artistry of our musicians and bring joy to our communities through great music.

## Here's How You Can Help

We are seeking advertisers and community partners for our 2022 summer season grand finale patriotic show. Each month since March has featured a dance event at Sadler Ranch reaching hundreds of guests and thousands more throughout the year via various online media and in-person events. Our fans are engaged, highly loyal, and represent our diverse community. All our local business partners benefit from our continued reach and brand recognition throughout the year. Advertising partners are encouraged to bundle with our upcoming Amelia Island Dance Series this Fall for even more perks & exclusive rates.
