CONNECTING THROUGH GREAT MUSIC

“

“We have had the pleasure of having Crescendo Amelia Big Band at our theatre for sold out concerts on multiple occasions. Band members were easy to work with, being both reliable & professional with great enthusiasm for their music. The audiences at our theatre ranged in age from children to senior citizens and all agreed that it was a terrific concert, and that they would return to hear the band again.”

"On behalf of all of us, I would like to thank you and CABB for making our event so much fun. Our clients & staff thoroughly enjoyed your performance at our client reception. It is very clear that you are an incredibly talented, class act group of musicians. We were looking for a way to make this event more exciting, while keeping it elegant & this was exactly what we needed. Your level of professionalism from start to finish, was very impressive. Planning events can be very stressful, so being able to rely on you was a major relief. You almost made it too easy! Once again, thank you to you & everyone in CABB for a night we will remember!"
